

From Thread to Cloth

Toni Ogden - Educational Director and Museum Curator

North House Museum and Archive - Lewisburg WV

Hello Educators!

Thank you for sharing our From Thread to Cloth educational program with your students. In addition to the tutorial videos and resources on our website, I am available at your convenience to go over any parts of these two fiber arts projects.

We can schedule a Zoom call or Google chat virtually, or you are always welcome to schedule a visit to the North House Museum.

Students can keep all of the materials they receive in their spinning and weaving kits. Spinning sticks, warps and weaving materials can be re-used for future creations!

We would love for you to share your students creations with us on our Facebook and Instagram pages using the #GHSFromThreadToCloth!
